PETITION TO REVIVE UNINTENTIONALLY  
ABANDONED APPLICATION UNDER 37 C.F.R. 1.137(b)

Dear Sir:

Applicants' attorney respectfully petitions the Commissioner of Patents and Trademarks to revive the above-identified application under the provisions of 37 C.F.R. 1.137 on the ground that as to the applicant, the abandonment of the above-identified application was completely unintentional and without authorization. This Petition is supported by the Declaration of the undersigned attached. The undersigned mistakenly had calendared an extra 30 days and had intended to file a response by the deadline the applicant had calendared, Monday, July 22, 1996, and in fact had been working preparing the response the weekend before. Applicant coincidentally received the Notice of Abandonment on that Monday, July 22, 1996. As a result, the Response is being submitted now with this Petition for Revival. It is submitted therefore that on

the basis described above the abandonment should be held to be unintentional and the enclosed Amendment and Remark should be entered and the case revived. The petition fee in the sum required under 37 C.F.R. 1.17(m) is enclosed herewith.

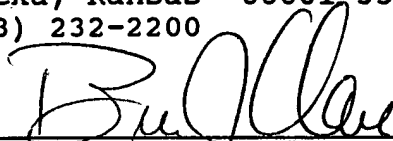

Date:

Respectfully submitted,
